DRIED PORCINI

COOK THE VEGETABLES

Place a skillet over medium high heat. Cut the pancetta into cubes and add to the skillet. Cook for about 5 minutes, stirring occasionally. Remove the pancetta from the skillet but leave the leftover fat in the skillet. Add the butter, diced onion, chopped garlic, chili and chopped fresh herbs to the skillet. Cook for about 5 minutes, stirring occasionally.

ADD THE MUSHROOMS

Add frozen or fresh sliced mushrooms to the vegetables. Cook for about 5 minutes if you are using frozen mushrooms or for about 3 minutes if you are using fresh mushrooms. Add the drained and chopped dried porcini (save the water from the dried porcini). Cook for about 5 minutes, stirring occasionally.

COOK THE TAGLIATELLE

Bring a large pot of salted water to a boil, add the tagliatelle and cook according to the instructions on the package. Once the tagliatelle have cooked, drain them, but keep around 100 ml of pasta water.
